LUCIDWILD ESTATE
2021 VINTAGE

Decanter

2021 CHOSEN PINOT NOIR

94
POINTS

"It's a beautiful wine from Lucid Wild, a selection of barrels and clones from four blocks of old vine, own-rooted Pinot Noir. Classic Willamette Valley fruit character, sweet ripe red berries, notes of raspberry leaf and violets in freshly turned soils. The palate is lushly textured. A 50% new French oak treatment definitely adds a character of smoky cinnamon to the ripe red and black currants, sweet cherry flesh and elegance in savoury form by notes of lavender and wild thyme.

2021 HIDDEN CHARDONNAY

94
POINTS

"Honeyed aromas from the Lucid Wild Chardonnay bottling sourced from their estate site in the Dundee Hills. The Chardonnay delivers delicacy along with a depth of fruit character. Aromas of honeyed peach flesh, candied ginger and almond pasty cream. The palate sings with depth and richness; lemon curd, honeyed apricot and ripe yellow apple flesh are buoyed by cardamom and white tea leaves - another fine example of Oregon Chardonnay's rise.

2021 BEAST PINOT NOIR

93
POINTS

"The Lucid Wild Beast is a single-vineyard wine from the winery's estate property in the Dundee Hills, 25-year-old own-rooted vines planted at 250 rJetres. A perfumed wine with aromas of classic Willamette Valley notes of violet, candied red fruits, a hint of blackberry and a note of savoury chicory. The palate is chock full of fresh red bramble fruits, sweet cherry flesh, hints of flavorful thyme, fresh mint, and a note of raspberry leaf. The oak is deftly used, and its structure supports it. This wine finishes light on its feet despite the hefty glass.
